Idea(s) to help make the program even better for us:

Summer session is all first-come first-served; there is no priority pre-registration. Are you planning to continue in SUMMER 2010? (begins July 5, for 7 weeks)... Why or why not?

In mid-May, we'll hold a pre-registration period for current families to get first priority to enroll in the FALL 2010 Session. Are you planning to continue in the Fall (session will begin September 13)? ... Why or why not?

Thank you for taking the time to do this, it's sure to be a help to us!
